

## Subject Index

### A

Abuse 575  
Addiction 1  
Adolescent 575  
Aging 382  
Alcohol dependence 100  
Animal assisted therapy 117  
Anxiety disorders 131, 168  
Art therapy 258  
Assessment 155  
Attention deficit hyperactivity disorder 182  
Autobiographical memory 396

### B

Bariatric surgery 409  
Bias 476  
Binge eating disorder 409  
Bipolar disorder 16  
Body image 32  
Bruxism 205  
Bullying 330

### C

Cancer 243, 421  
CBT-I 274  
Child 232, 575  
Chronic mental disorder 155  
Cognition 562  
Cognitive aspects 299  
Cognitive behavioral group therapy 258  
Cognitive behavioral therapy 16, 54, 72, 274  
Cognitive bias modification 299  
Community mental health 368  
Community mental health nursing 368  
Computer-assisted therapy 299  
Concept analysis 91  
Consciousness 32  
Crime 575  
Cyberchondria 435

### D

Dark triad 318  
Dating violence 444  
Decision making 382  
Depression 205  
Diagnosis 182  
Dialectical behavioral therapy (DBT) 287  
Differential diagnosis 131  
Domestic violence 232

### E

Ecological momentary assessment 168  
Effectiveness 258  
Elderly 182  
Emotion regulation 382  
Emotional abuse 330  
Empowerment 368  
Episodic specificity 396  
Experience sampling 168

### F

Fatigue 421  
Fear of compassion 342  
Fear of positive emotion 342  
Forensic medicine 507  
Frontal lobe syndrome 507

### G

Grief 352

### H

Health anxiety 435  
Holistic perspective 455  
Human-animal interaction 117  
Humor 519

### I

Identity 455  
Insomnia 274  
Internet 435  
Interpersonal relations 476  
Illusions 32

Intervention 100

## L

Life project 143

Lifespan perspective 287

Loss 352

## M

Machiavellianism 318

Major depressive disorder 562

Malpractice 195

Media characters 494

Memory 476

Mental disorder 91, 232

Mindfulness 72, 534

Mindfulness-based cognitive therapy 16
